

	Tuesday 28 th of April Day 1			Wednesday 29 th of April Day 2			Thursday 30 th of April Day 3		
7:30am	Registration/Cafe (Strathblane Hall)			--			--		
8:15am				Registration/Cafe (Strathblane Hall)			Registration/Cafe (Strathblane Hall)		
8:30am	Opening Session (Lomond)								
8:45am	OS & Virtualization Session (Lomond)			AI Session (Lomond)			Cloud Session (Lomond)		
10:15am	Break (Strathblane Hall)			Break (Strathblane Hall)			Break (Strathblane Hall)		
10:45am	File Systems & Storage Session (Lomond)			Security Session (Lomond)			Distributed Systems and Multicore Session (Lomond)		
12:15pm	Lunch (Strathblane Hall)			Lunch (Strathblane Hall)			Lunch (Strathblane Hall)		
1:30pm	Track A (Tinto): LLM Training at Scale	Track B (Moorfoot): Datacenter Network Fabrics & RDMA	Track C (Kylsyth): Cloud & Serverless Resource Management	Track A (Tinto): LLM Inference	Track B (Moorfoot): Traffic Engineering, CDNs & Congestion Control	Track C (Kylsyth): Storage Systems	Track A (Tinto): Distributed Training & Collective Communication	Track B (Moorfoot): Programmable Networks, SmartNICs & Accelerators	Track C (Kylsyth): Virtualization, Containers & OS Specialization
3:15pm	Break (Strathblane Hall)			Break (Strathblane Hall)			Break (Strathblane Hall)		
3:45pm	Track A (Tinto): On-Device & Federated Learning	Track B (Moorfoot): Distributed Consensus, Blockchain & Storage	Track C (Kylsyth): Fault Tolerance, Reliability & Debugging	Track A (Tinto): LLM Serving & Agents	Track B (Moorfoot): Security, Privacy & Vulnerabilities	Track C (Kylsyth): Architecture, Accelerators & Heterogeneous Computing	Track A (Tinto): ML Model Optimization: Compilers, Quantization & Fine-Tuning	Track B (Moorfoot): Edge Computing, IoT & Embedded AI	Track C (Kylsyth): GPU Systems, Graph Computing & Applied ML
5:30pm	General Assembly (Moorfoot)			Posters Reception (Strathblane Hall)					
6:15pm	--								
7:15pm	Banquet @ National Museum of Scotland (NMS)			--					
10:15pm	--
